

**Minutes of Torrison and Kinlochewe Community Council Meeting held in Torrison Hall
on Wednesday 9th October 2019 from 7pm**

Community Councillors gathered in Torrison Hall at 7pm.

It was agreed that as a new Community Council was due to be formed, the Minutes from the previous meeting on 11th September would be carried forward for the new Community Councillors to continue with at their next meeting.

The retiring Community Council then spent time assessing the highs and lows of the previous four years in office since the Community Council was reformed in November 2015.

Four of the current Community Councillors had agreed to stand for office again to ensure that Torrison & Kinlochewe Community Council would continue into 2020.
